

Job Description

Job: Clean the children's bathroom.

What You Need:

1. bucket of warm water (filled halfway)
2. liquid pine-scent cleaner (two capfuls in bucket)
3. sponge
4. tub-and-tile cleaner
5. washrag
6. toilet bowl cleaner and toilet bowl brush
7. spray bottle of window cleaner
8. several paper towels
9. vacuum cleaner

What You Do:

1. Spray the mirrors with the window cleaner and wipe them clean with the paper towels. Use the damp paper towel to wipe down the faucets in the sinks and tub.
2. Clean both sides of the glass doors on the tub with the window cleaner and paper towels.
3. Squeeze some tub-and-tile cleaner on a damp washrag and wipe the sink, the counter, and the tub, inside and out, making sure to clean all the way to the top of the tile.
4. Wipe the outside of the toilet with the tub-and-tile cleaner.
5. Squeeze some toilet bowl cleaner into the bowl and scrub the bowl with the bowl brush, then flush the toilet.
6. If the tissue dispenser is empty, put in a new box of tissues. If the toilet paper roll is empty or nearly so, replace it with a new roll.
7. Vacuum the floor.
8. Using the sponge and the pine-scent cleaner, wash the floor. Start at the toilet and work toward the door. Let the floor dry completely before going back in.
9. Put the vacuum and all of the cleaning supplies back where they belong. Be sure to rinse the sponge and washrag and wring them dry.
